URANIUM TURNINGS

MATERIALS 3 (2LW)

SYMBOL: EC:DSN:me

It is requested that arrangements be made to ship approximately one handful of Uranium Turnings to the Detrex Corporation, Box 501, Detroit 32, Michigan, (Attention: Mr. C. J. Kearney, Chief Engineer).

These chips are to be used by the Detrex Corporation in experimental runs relative to pickling, degreasing, etc.

Kindly advise Engineering and Construction that these turnings have been forwarded to Mr. Kearney.

Mr. H. J. Moanik of the Catalytic Construction Company may be contacted in this matter, if further information relative to same is desired by Production.
